

## Test your level of French

### **The TFI (Test de Français International) is a French as a foreign language certificate**

The results of the test reflect candidates' ability to communicate in French in a professional or academic context. Levels range from beginner to autonomy ([Common European Framework of Reference for Languages A1 à C1](#))

The test is made up of a series of multiple-choice questions to assess

- 1) listening comprehension (40 minutes) and
- 2) reading comprehension (70 minutes) and candidates ability to:

- take part in face to face communication, meetings, videoconferences, understand podcasts ...
- read emails, reports, newsletters and other forms of professional correspondence.
